HANWELL COTTAGE HOSPITAL.

The General Committee of the Hospital, presided over by Mr. A. E. Hill, J.P., met at Cherington House, Hanwell, on Friday, March 22nd. 1929, and the following Annual Report, with Balance Sheet and Accounts for the year 1928 was unanimously adopted for presentation to the 30th. Annual General Meeting of the Subscribers and Friends of the Hospital to be held at Cherington House, Hanwell, on Friday, April 12th. 1929.

REPORT.

The Committee is very pleased to be able to report that the usefulness and activities of the Hospital continue to increase, as is shown by the great increase in the number of Patients treated during 1928, over the numbers treated during previous years. In all Departments the work carried out during the past year constituted a record.

In-Patients.

On January 1st, 1928, 11 Patients were in the Hospital under treatment; 227 Patients were admitted during the year, as compared with 195 admitted in 1927, which was the previous highest number admitted during any one year.

Of the above 238 Patients treated during 1928, 180 were discharged cured, 32 relieved, and 5 *status quo*; 8 Patients died in Hospital during the year. On December 31st there were 13 Patients still under treatment.

Out-Patients.

The Department was very much in demand during the year. No less than 3,093 attendances **were made** by the 1,233 Patients who were treated.

The Tomlins X-Ray Department.

The work carried out here has proved most painstaking and useful. Some Patients had several Radiographs taken, or Screen examinations made, and the actual number of times the Apparatus was in use therefore greatly exceeded the number of Patients, which was 224.

Operations.

103 Major and 245 Minor Operations were carried out and these entailed a very great deal of work upon the Surgeons, Doctors and the Nursing Staff. Their work has been very greatly appreciated.

Obituary.

During practically the whole of the year under review Lady Sharpe, one of the Vice-Presidents, was very seriously ill, and it is with the deepest regret that the Committee records her death on January 24th, 1929.

The Committee expresses its very deepest sympathy with the President—Sir Montagu Sharpe—in the very sad bereavement he has sustained.

Lady Sharpe was a very keen worker on the Executive Committee from the time the Hospital was opened in 1900; and up to the commencement of her last illness was always prepared to assist the work of the Institution to the utmost of her abilities.

Her passing will be very deeply felt by all and her graciousness and kindly encouragement will be greatly missed.

Lady Sharpe was elected a Vice-President in 1923 and her work for the Hospital included the Presidency of the Ladies' Linen League for many years.

Honorary Medical Staff.

Mr. Montague H. Renall, B.Sc., M.B., B.S., of Greenford, has joined the Staff and is heartily welcomed by the Committee.

Since the close of the year Mr. David Levi, M.B., M.S., Lond., F.R.C.S., Eng., has been appointed an Hon. Consulting Surgeon.

Finance

On reference to the Accounts including Income and Expenditure, it will be clearly seen how the Income has been derived this year, and how it has been spent.

There is little comment needed on some of the figures. A comparison between Subscriptions made to the Hospital specifically for its maintenance and the amount received from Patients will show how very greatly the Hospital is appreciated by those who use it, while on the other hand the very meagre amount received in Subscriptions, Donations and from Entertainments must be an obvious reminder to a great many of the need the Hospital has for the generosity and interest of a number of Residents and Parishioners who could help in this way.

The Hospital Carnival was a great success and brought in £412 to the Hospital Treasury. Grateful thanks are due to Mr. R. P. Bradley and his very hard-working Committee, and also to the Organising Secretary, who all again contributed towards the successful management of the general working of the Carnival.

The Box Collections have done wonderfully well. Mr. F. Clayden has been once more the responsible agent, and his kind help has been greatly appreciated.

The Committee most gratefully acknowledges the very generous contribution received from the Hospital Saturday Fund.

Hospital Savings Association.

An application was received from the Association for the Hospital to accept Letters of Admission from Contributors; the Association agreeing to make a payment to the Hospital in respect of each Patient treated. The Committee was very glad to accept and it is anticipated that by this means the income derived from Patients' payments will be increased in the future.

Statistics

Conforming to the practice adopted during the past few years, the Statistical Tables compiled for the information of the King Edward's Hospital Fund for London are set out in detail on page 14 and it is with satisfaction the Committee draws the attention of Subscribers to the fact that, whilst maintaining the highest possible efficiency, reductions have been effected both in the Cost of each In-Patient per week and the Total Cost of each In-Patient.

Other figures of interest are set out in the Comparative Table shown on page 15

In considering these Tables it should be borne in mind that the increase in the number of beds shown as available during the year 1928 against the number for 1927 is accounted for by the fact that in the latter year the Hospital was closed for nearly a month owing to re-decorations.

Pound Day.

The Annual Pound Day on October 15th proved to be the most successful ever held, and Matron was most gratified with the 2,036lbs. of Goods of all kinds which were received. Cash amounting to £15 10s. 6d. was also given.

The Committee wishes especially to mention the very generous gifts received from the Schools, and the very great assistance rendered by the Hanwell Chamber of Trade (organised by Mr. E. Frank Gratwick) in making known to the Public the needs of the Hospital in this respect and in collecting the Goods and conveying them to the Hospital.

King Edward's Hospital Fund for London.

As will be noticed in the Accounts, a Donation was again received from the Fund. The Visitors appointed by the Fund carried out the usual inspection on June 27th, and everything connected with the Hospital was approved.

Ladies' Linen League.

The members of the League have again been very generous in their gifts to the Hospital. In addition to the Linen which has been supplied, a handsome Roll Top Desk has been given for use of Matron.

By the enthusiasm of the members another Christmas Tea and Sale was organised, and this resulted in the extremely helpful gift of £100, which was handed to the Hon. Treasurer for Maintenance.

Mrs. E. H. Wolfe, J.P., has once more filled the office of Chairman while the League has again been well organised by Mrs. F. M. Jamieson, the Honorary Secretary, to whom the Committee extends its profound sympathy in the loss of her husband, which occurred in the Hospital in August. Mrs. Jamieson has seen her way clear to carry on with her work for the Hospital (in spite of very greatly increased calls upon her time) to the great pleasure of everyone on the Committee of the Hospital.

The Balance Sheet of the League, together with a list of the Officers, is given on page 16.

Buildings.

During the early summer of 1928, the Staff Quarters were re-decorated without any cessation of the Hospital activities.

This work completes the entire re-decoration of the premises—external and internal—since the summer of 1927, and the Committee is able to report with satisfaction that the Structure is in an excellent condition, and the bright appearance of the Buildings is most pleasing.

Committees.

The general policy of management of the Hospital and its finances continues to be closely watched and directed by the General Committee. The House Committee has given consideration each month to the administration of the routine and domestic matters connected with the Hospital. Mr. A. E. Hill, J.P., and Mr. J. Smith were again elected Chairmen of the respective Committees.

A member of the Ladies' Visiting Committee has examined the accounts for housekeeping, etc., prepared by Matron each week, and at the monthly meeting of the House Committee the Visitor's report has been very satisfactory.

The Committee has received with very much regret an advice from Mrs. L. Gillett that, owing to removal to Worthing, she will have to sever her connection with the Committee. Mrs. Gillett has been a member of the Committee since 1910 and she will be very much missed in the work of the Hospital. Mrs. Gillett has served on the House Committee longer than any other present member, and with the exception of Sir Montagu Sharpe Mr. A. E. Hill and the Rector, has served on the General Committee longer than any other active member of the present Committee.

The Committee is very pleased to be able to offer congratulations to Mrs. E. H. Wolfe upon her appointment as Justice of the Peace for Middlesex.

Acknowledgments.

The Committee once again has to extend its deepest thanks to everyone who has in any way assisted in the work of the Hospital, *i.e.*,

The Subscribers and those who have given Donations, in Cash or Kind. Detailed lists appear on pages 10, 11, 12 & 15.

The Ladies' Linen League for its valuable and useful Gifts.

All those who have assisted to make the receipts from the Collection Boxes, Congregational Collections and the like, so successful. It is impossible to name everyone who has helped in this direction, but the Committee appreciates very highly even the smallest gift included in such receipts.

The Honorary Consulting and Medical Staff, who, as in past years, have been untiring in their attention to the Surgical and Medical needs of the Patients.

Matron, Sister, the Nursing and Domestic Staff, for the continued loyal and efficient work rendered. Under the very kindly and considerate direction of Matron this part of the work has been carried out with all possible harmony and the Committee is fully appreciative of Matron's excellent assistance in this direction.

The Honorary Architect, Honorary Solicitor and Honorary Auditors, who, in the respective appropriate departments, have given the Committee the benefit of expert professional advice.

All those who have organised Entertainments, etc., for the benefit of the Hospital.

The Local Press, which continues to give valuable space for the publication of Reports, Notices, Appeals, etc., in connection with the needs and work of the Hospital.

The various Committees and Executive Officers.

The attention of Non-Subscribers as well as Subscribers is drawn to the Bankers' Order at the end of this Report.
